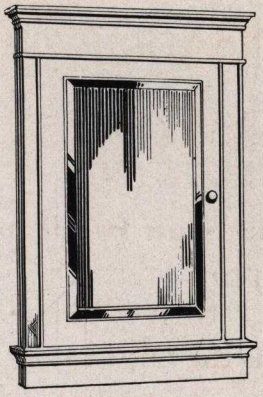
IEDICINE and WALL CABINETS



Perhaps you prefer a design a little more elaborate, such as the one illustrated

nome builder must by all means include, in the much ed plans, provisions for one of our several styles of ne cabinets. Next to the need of having ordinary reme- the house is the importance of having them at hand in ncy. Heavy plate-glass mirrors make our cabinets lly attractive and useful.

Drawer Cases

VAUGHN-Made and MORGAN-Made cases of drawers for pantry and kitchen, for the bathroom or the linen closet

Combination Doors

A MORGAN specialty that combines storm door and screen door in one. When winter approaches, you just take out the screen and replace it with sash—in spring reverse the operation. Just a few moments does it. No more unhanging and hanging of screen and storm doors.
